Dear Harold,

I will be quitting my job in a few weeks in order to spend some time working on the JFK assassination and other related areas. I would be pleased to help you and Jim during my "vacation", providing you get easy on the indexes.

In the meanwhile, enclosed is a \$10 check for the copy of Frame - Np which I left with the last time I was in Fredericks. When I visit you next, ~~time~~ I will own up for the telephone call.

Looking forward to hearing from you.

Mark Allen

P.S. If Ford doesn't stay out of Mo. Call. He'll drive the assassination freaks nuts.
